Your Exchange password is also known as your Windows Active Directory password.

To change it:

1. Connect to <https://accounts.www.umich.edu/kpasswd/>.  
**HINT:** Because you're making a secure connection, be sure to add an "s" after "http" (https).
2. Log in with your **uniqname** and **UMICH Kerberos password** (the same password you use for [Wolverine Access](#)).
