University of Michigan
Microsoft Campus Licenses

IT Central Services
Information Sessions
March 22 and 24, 2005
Microsoft Contracts

• Campus Agreement
• Select Agreement
• Premier Support Agreement (managed by Mary Beth Stuenkel) - renewed annually
Campus Agreement

• Replaces Microsoft Custom Enterprise Agreement (MSCEA)
  – Licenses covered by the Campus Agreement are leased, not owned by U-M
  – License versions as of November 2004 are perpetual
  – 1000 server licenses were granted by MSCEA (more on servers later)
Campus Agreement

• Population covered is all campuses, all faculty, staff, and students
• Runs through November 30, 2005
Campus Agreement

• Covers desktop software
  – Windows Desktop Operating Systems Upgrades
  – Office Products - both Mac and Windows
  – FrontPage
  – Visual Studio .Net
  – Core Client Access License (CALs)
    • Windows CAL
    • Exchange CAL
    • SMS CAL
    • Sharepoint CAL
Campus Agreement

• Work At Home rights for faculty and staff
  – Can use software covered under Campus Agreement on personally-owned machines for University business
  – License remains property of UM
  – When faculty/staff member leaves, must remove MS software obtained through this agreement
Campus Agreement

• Obtaining and Installing Media
  – Media for installation on U-owned machines obtained from Stores - multiple installs from one CD permitted
  – Media for personally-owned machines at Showcase (can’t be loaned multiple install Stores media)
  – Students purchase media from Showcase
Campus Agreement

- Subscription Enrollment and License Rights
  - Licensing options for entire departments, schools/colleges and populations
  - Special Discounts
Select Agreement

• All other Microsoft Products
  – Examples include: Project and Visio
  – Examples include: All Servers and CALs

• Licenses obtained under Select Agreement are perpetual (not leased)
Select Agreement

• Licenses and media ordered from ITCS Software Licensing and Distribution
  – Can be installed on any U-owned machine regardless of location
  – Cannot be purchased or used for personally-owned machines
• http://www.itd.umich.edu/sw-info/microsoft/ms-select/
Select Agreement

- Software Assurance (maintenance and upgrades)
  - Can only be purchased at same time as license purchase
  - Cannot purchase SA on existing licenses
  - Must purchase SA coverage through November 30, 2007
  - Cost pro-rated annually (December of each year)
  - Applications, servers, and CALs can all have SA
Select Agreement
Servers and CALs

• The 1000 servers granted by the MSCEA have all been deployed and have been placed under SA

• *If you purchase a server license now, we highly recommend you also purchase SA*

• *Also highly recommend that you purchase SA for CALs that are required for any new server installations*
Select Agreement

Servers and CALs

• Pricing for server and CALs included on Select pricelist

• More than one way to be license-compliant for servers and CALs - contact us for assistance: know use and users for your servers

• Terminal Services CALs
  – Not included as part of Core CAL suite
  – Special transition plan licenses U-M population until release of Windows Server R2
Select Agreement
Servers and CALs

• SQL Server License and SQL CALs
  – Not included as part of Core CAL suite
  – Still working on license plan
  – Need to identify any SQL servers which are accessed by students
Select Agreement
Servers and CALs

- SQL CALs are needed for these servers (in addition to needing the server-specific and Windows CALs)
  - Live Communication Server (Office LCS)
  - Sharepoint
  - Content Management Server
  - Biztalk Server
  - Project Server
  - Commerce Server
  - CRM Solution
What We Don’t Know Yet

• Campus Agreement costing model
  – Provost Office will determine model
  – For budgeting purpose - MSCEA cost is in ballpark except for servers (see Select pricelist)
  – May see fluctuation in cost year-to-year due to adjustments to FTE counts
  – SQL CALs model or cost

• Access to eLearning modules
