The University of Michigan (U-M) has purchased the Microsoft Campus Agreement effective December 1, 2007 through November 30, 2010. This acceptance form is valid for the Microsoft products listed below. U-M is extending to you the right to use the software on a personally-owned computer or an institution-owned computer designated for your exclusive use. You do not own the license or the media (CD or DVD); rather you are authorized to use the software and associated media pursuant to the terms and conditions of the license(s) granted to U-M for the term of our Campus Agreement Subscription. You will be required to remove the software from your personal machine immediately upon the earlier of (a) any event, with the exception of graduation, which causes you no longer to be a student of the institution, or (b) expiration of the Campus Agreement Subscription term.

If you graduate during the Campus Agreement Subscription term, the software license will convert to a perpetual license (meaning you own the software) as verified in your Student License Confirmation, which may be obtained from U-M at that time. The Student License Confirmation is proof of software ownership.

You are granted the right to use the following software per the terms of the Campus Agreement Subscription Student Option.
